

## PRODUCT INFORMATION SHEET

<b>PRODUCT NAME</b>	Toy Tracker
<b>PRODUCT TYPE</b>	Software
<b>APPLICATION/S</b>	<p>Complete package for the administration and running of a Toy Library allowing users to manage membership records, toy stocks, loans and staff.</p> <p>Initially designed in conjunction with an NCH/SureStart project.</p>
<b>PRODUCT</b>	<p>Toy Tracker provides the software needed to run a toy library in one simple package.</p> <p>The product enables accurate management of the 3 key aspects of a library: members, stock &amp; staffing. It provides membership details, cards and loan history, toy purchase, loan, warranty and suitability details, staff and toy location information.</p> <p>Main menu screen:</p>  <p>Membership details are held; subscription &amp; loan fees, loan status and member history – all easily edited &amp; updated. Membership cards can also be produced.</p>  <p>Detailed records of each toy are kept:</p>  <p>Membership cards and single or double-sided toy tags can be printed, with a photograph if needed.</p>
